Subject: FW: Spring Flow Calibration Targets

Hi
Someone will need to post this probably in both the Jones and SeaPac web pages and notify the concerned parties.

John
This data is posted on the ESHMC web page
You can find a map of the spring flow targets on page 8 in
'http://www.idwr.idaho.gov/Browse/WaterInfo/ESPAM/meetings/2011_ESHMC/Aug_9_2011/ESHMC_Aug2011_CalRun.pdf'
You can find spreadsheets of the spring flow calibration targets in
'http://www.idwr.idaho.gov/Browse/WaterInfo/ESPAM/monitoring_data/Springs/Current_Data/'

Allan-

Could you please send me the updated list and map of spring flow calibration targets and a spreadsheet with the data being used for ESPAM Version 2.

Thanks-

John
