Steve moved we have the same way of billing for our water district and by special assessment as we had last year. Motion Carried. The County Treasurer sends out our bills, collects our bills, and places the monies in our district checking account for the Treasurer to disburse as needed. He will send out resolution (B) and the motion on lockable headgates with the bills. We also need to leave a copy of our minutes with the County Clerk's office letting him know what we want. He also needs a letter from us asking him to put the monies collected into our checking account at West One Bank in Council.
