To Whom It May Concern:

This is for the Idaho Dept. Of Water Resources information concerning Paris Creek Water District No. 11-E

As our water was adequate for the water year 1998 and it did not need to be rationed out we did not work our watermaster. So there is no watermasters report.

Mr. Joel Pacham was hired and payed a retaining fee of \$300.00.

We also set up and collected a budget of \$600.00 and as of the last bank statement we have \$619.51 in the account.

Enclosed is the bank statement for Dec. 1998.

The annual meeting is scheduled for 9 Feb. 1999 at 1pm at Paris, Idaho in the County Agents meeting room.

I hope this will suffice for the year end report.

Sincerely,

Richard J. Stocker Secretary
