RE: WATER DISTRICT #29-A

Dear Mr. Packer:

We have received the minutes of the annual meeting for the above water district. Before we can complete the certification process for a watermaster for this district we need to receive the following items.

1. A copy of the Adopted Budget for Water District 29-A
2. A petition For Watermaster's Services
3. The Official Oath signed by the Watermaster. His signature must be notarized.

These forms are included with this letter. We usually send these to the water districts prior to the annual meeting. Since we did not receive the Proposed Budget, Watermaster's Report and Daily Record books from Water District 29-A, we were unable to do this. We have included these forms so you can see what these forms are like.

Thank you for sending us a copy of the minutes. We will complete the certification process once we have received the three required forms listed above.

Sincerely,

A handwritten signature in cursive script that reads 'Darlene Newman'.

Office secretary
