Subject: Change to WD 47G address

Hi Mary -

Thanks so much for the Water District information list.

Could you please put a note in the Salmon Falls Creek WD 47-G file for me.

I spoke with Charles Runyun's wife (I think it was his wife) today and she said his address is:

4795 N 700 E, Buhl

It was different on the list you sent me so, I thought I'd let you know.

I carbon copied this to Jim. I wasn't sure if he'd have to make the change or if you could.

Thanks.

Dayna
