Dear Mr. Robinson;

Enclosed is a copy of the front page of your 1994 watermaster report as approved by the Department. The same is also being sent to the District secretary. You will note that the total amount due has been changed to agree with your computer program total cost. The watermaster report covers the total delivery cost to the water district, rather than just the amount that goes directly to the watermaster. Our computer program for water districts does some additional cost breakdown, while your program only splits out the total cost to each water user.

Sincerely,

James E. Stanton
Sr. Water Resource Agent

(This report must be made in Triplicate and forwarded to the Department of Water Resources
Boise, Idaho, for Approval.)
