Water District 13N
March 3, 2003

The water district met this day with the following present: Richard Free, Bob Erickson, Jeff Johnson, Clair Bosen, Earl Ward, Ivan Jensen, and Michael Kunz.

The minutes of March 4, 2002 were read and approved on motion of Jeff Johnson, seconded by Clair Bosen which passed.

Clair moved that the assessments be made and sent out prior to the irrigation season. Jeff seconded the motion which passed.

The group felt that someone ought to learn a little about the system, the headgates and weirs, in case someone needs to fill in for Bob. The president of the district and workers from Twin Lakes will schedule a time to go and see the system.

Bob felt we need to have a measuring device on the creek so we know what is going over the weir and on into Bear River. It would be very difficult to do however.

Bob presented the budget of \$2800 for the year, \$2500 for wages and \$300 for workmen's compensation. Jeff moved it be accepted and Clair seconded it and the motion passed.

For election of officers, Richard Free was nominated as president, Michael Kunz as secretary, and Bob Erickson as watermaster. Clair moved that those nominated be elected by unanimous consent and the motion passed.

There being no further business the meeting adjourned at 11:27am.

Michael Kunz, Secretary

Richard Free, President
