Re: Water Rights on File at IDWR

Mr. Strickler,

This letter is a follow up to our phone conversation this afternoon. You had asked why your domestic and stock water right was not listed in Appendix B of the February 20, 2007 order requiring headgates and measuring devices in Water District No. 170. As we discussed, the order creating Water District No. 170 specifically excluded water rights for de minimis domestic and/or stock watering purposes, as defined by Idaho Code §42-111 and §42-1401A(11). As such, your ground water right (no. 72-10014) is not required to comply with the February 20, 2007 order.

I have attached a printout from our database describing the two water rights we have on file under your and your wife's name.

Please call if you have questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nick Miller', is written over a horizontal line.
