RE: Polysonic Flowmeter

Dear Mr. Okette:

The purpose of this letter is to inform Rangen, Inc. that the Idaho Department of Water Resources agrees to hold harmless Rangen, Inc. and its employees from all liability resulting from any damages that may occur to the polysonic flowmeter equipment while the flowmeter is in the possession of Rangen, Inc., provided however, that Rangen, Inc. shall not be relieved from liability for its own negligence and that of its employees.

Your cooperation in this matter is appreciated and the Department looks forward to completing its measurements at the site as soon as practical.

Sincerely,

NORMAN C. YOUNG  
Administrator
