Dear Lyle:

A copy of the above referenced application is attached for your review &/or comments. For your convenience, this application can be located and viewed by following the link below:

<http://www.idwr.idaho.gov/news/issues/IWRBRecharge/default.htm>

If the application is approved, IDWR will include appropriate standard conditions of approval for a water right located within a water district, such as regulation by the watermaster, lockable controlling works, and/or measuring devices. Any special conditions or other concerns you have related to this application should be specifically addressed in your recommendation.

Your prompt response to this request will ensure that your recommendation can be considered. If IDWR has not received your written recommendation within 21 days from the date of this letter, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Sincerely,
