Re: 2009 Water Master Report

Kevin:

Your 2009 water master documents were returned to my office. It appears the documents are lacking important information and need to be corrected.

No water right numbers are listed or associated with the names on the report and there are no listings of the amount of water delivered to each water user.

Please correct these items and return the documents within 10 days to Dennis Dunn in our Eastern Region at 900 N Skyline Ste A, Idaho Falls, ID 83402. Mr. Dunn can be reached at 208 525 7161.

Cordially,
