

NOTICE OF FILING FOR REPORTING AREA 5 (IDWR BASIN 35 PART I):

► Conjunctive Management Director's Report

NOTICE OF FILING FOR REPORTING AREA 5 (IDWR BASIN 35 PARTS I & II):

► Irrigation Season Of Use Supplemental Report

The Director of the Idaho Department of Water Resources (IDWR) has filed with the Snake River Basin Adjudication (SRBA) District Court his Report for Basin 35 part I regarding the interconnection of water resources within the Snake River Basin. This Report is the Director's recommendation for the conjunctive management general provision that should be decreed for Basin 35.

Additionally, the Director of IDWR has filed with the SRBA District Court a supplemental report changing his recommendation for the irrigation season of use for the water rights listed on page 4 of this Notice.

The Court will decide how it will decree a conjunctive management provision in Basin 35 and the irrigation season of use for individual water rights. You are free to agree or disagree with the Director's recommendations in these reports. If you agree with the Director's recommendation you do not need to do anything, pending further notice as described below. If you disagree with the Director's recommendation, you need to file an objection as described below.

INSTRUCTIONS FOR REVIEWING THESE REPORTS

Attached to this Notice is the complete Conjunctive Management Director's Report for Basin 35. The complete Irrigation Season of Use Supplemental Report for Basin 35 parts I and II is available at the SRBA courthouse in Twin Falls and the locations listed on the third page of this notice. Copies of the report can be made, but you may be charged for copying and mailing. If you are claiming a right for which the Director has issued a new irrigation season of use recommendation, a complete description of the Director's recommendation for your claim is attached to this Notice. You need to carefully review the new season of use recommended for your irrigation right.

INSTRUCTIONS FOR TAKING AN ISSUE TO COURT

What do I do if I disagree with the conjunctive management provision or a season of use recommendation?

If you disagree with IDWR's conjunctive management provision, or the season of use recommendation for your water right or anyone else's water right, and want to be heard in court, file an objection with the SRBA Court. Objections must be made on the standard objection form available from any IDWR office or from the SRBA Court and copies mailed to the parties shown on that form. You may also download a copy of the objection form from the SRBA Web Site at www.srba.state.id.us.

Your objection to IDWR's conjunctive management provision, or the irrigation season of use for the rights listed above must be **received** by the SRBA Court on or before **June 2, 1999**.

What do I do if someone else objects to with the conjunctive management provision or a season of use recommendation?

If someone files an objection to IDWR's conjunctive management provision, or the season of use recommendation for your water right or anyone else's water right, you may file a response to that objection. Responses to objections must be made on the standard response form available from any IDWR office or from the SRBA Court. Your response must be **received** by the SRBA Court on or before **October 4, 1999**.

What happens if there are no objections to a water right?

After the deadline for filing objections, the SRBA Court will hear the uncontested recommendations on **August 6, 1999**, at **9:00 A.M.** at the **SRBA Courthouse**. Any part of the report to which no objections are filed may be decreed by the district court.

How will I know about the proceedings on water right recommendations to which objections were filed?

A notice will be mailed to you for court dates on your water right or for those where you filed an objection or a response. You will not receive notice of court dates on any other water right recommendations. Additional information regarding the SRBA can be found on the SRBA Web Site at www.srba.state.id.us.

Note: The SRBA Court publishes a monthly Docket Sheet listing all objections and responses filed. It does not list court dates for individual water right cases, but provides general information helpful to all participants in the SRBA. The Docket Sheet is available at your county courthouse and all IDWR offices, or you may subscribe by contacting the SRBA Court or IDWR. The annual subscription fee is \$7.50. The Docket Sheet is also available on the SRBA Web Site at www.srba.state.id.us.

ADDITIONAL INFORMATION

If you have questions about the SRBA, public information brochures are available at any IDWR office. You are also welcome to call IDWR at any of its offices or the SRBA Court. You may also want to consider contacting an attorney to assist you.
