Re: Permit no. 35-8359

Dear Mr. and Mrs. Kugler:

On January 2, 2008 the department sent you a letter that requested your **unavailable** days for the months of February and March 2008. The Department has not received your written response to this request and a date for the conference has not been set. Please submit your written response to me on or before **February 11, 2008** and verify your preference of how or where this conference will be held. Please specify if you prefer to participate by phone, or if in person at a meeting place in Pocatello or Boise. If the Department does not receive a response by the due date I will set the hearing date and you will be notified of where it will be held. If you do not appear at this conference, a default will be issued and your request for reconsideration will be denied.

Enclosed is a copy of an Assignment of Permit that was submitted today by fax from Northwest Farm Credit Services ("NWFC"). Upon receipt of the original assignment and the filing fee the ownership information for this permit will change solely into your name.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
