	)	<b>A RESPONDENT</b>
	)	

---

On May 21, 2012, the City of Pocatello (“Pocatello”) filed a *Petition To Be Designated As Respondent or Alternatively to Intervene* (“Petition”) with the Idaho Department of Water Resources (“Department” or “Director”). The Petition requests that Pocatello be designated as a respondent pursuant to the Department’s *Rules of Procedure*, IDAPA 37.01.01 *et seq.*, in response to the Rangen, Inc. (“Rangen”) conjunctive management delivery call. Alternatively, Pocatello requests to intervene.

A respondent is defined as: “Persons against whom complaints are filed or about whom investigations are initiated . . .” IDAPA 37.01.01.154. Under the Department’s *Rules for Conjunctive Management of Surface and Ground Water Resources*, IDAPA 37.03.11 *et seq.*, the Director is authorized to curtail junior ground water rights for the benefit of senior surface or ground water rights. Rangen asserts in its delivery call that, due to pumping by juniors from the Eastern Snake Plain Aquifer (“ESPA”), its senior surface water rights have been materially injured. Pocatello is a municipal corporation of the State of Idaho that diverts ground water from the ESPA. Some of Pocatello’s ground water rights are junior to Rangen’s surface water rights. If Rangen is successful in its delivery call, Pocatello’s junior ground water rights could be subject to curtailment.

**ORDER**

Based upon and consistent with the foregoing, IT IS HEREBY ORDERED as follows:

Pocatello is designated a respondent in the above-captioned proceeding.

Dated this 29<sup>th</sup> day of May, 2012.
