The City of Pocatello hereby files its Petition for Reconsideration of the Director's Seventh Supplemental Order Amending Replacement Water Requirements ("Seventh Supplemental Order").

1. The Director of the Idaho Department of Water Resources issued an amended order on May 2, 2005 ("May 2005 Order") in response to the Surface Water Coalition's January 14, 2005 letter requesting a delivery call. The Seventh Supplemental Order is a "supplement" to the May 2005 Order.
2. Pocatello has previously detailed its objections to the May 2005 Order (and its predecessor order of April 19, 2005) in various pleadings and expert reports previously

filed in this matter. As the Seventh Supplemental Order is a continuation of the May 2005 Order, no party need state objections to the Seventh Supplemental Order or restate objections to the May 2005 Order. However, to the extent the Seventh Supplemental Order relies on the same legal, factual, and engineering deficiencies as the May 2005 Order, Pocatello restates its previous concerns, objections, and legal arguments, and incorporates them herein by reference.

Respectfully submitted this 3rd day of January 2008.
