IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT
OF THE STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA)	Subcase No. 92-00021
)	
)	MOTION FOR ORDER OF
Case No. 39576)	INTERIM ADMINISTRATION
)	AND NOTICE OF HEARING
)	
_____)	

The State of Idaho moves this Court for an order of interim administration of water rights¹ in Snake River Basin Adjudication Basin 29 pursuant to Idaho Code § 42-1417,

¹ The State of Idaho previously filed a motion for interim administration for Basins 35, 36, 41 and 43. The court authorized interim administration for these Basins on January 8, 2002. Later, the State of Idaho filed a motion for interim administration in Basin 37, Part 1 Groundwater. The court authorized interim administration in this Basin on November 19, 2002. This motion does not seek authorization for interim administration of domestic and stock water rights as defined under Idaho Code §§ 42-111 and 42-1401A(11).

in accordance with the most current Director's Report for Snake River Basin Adjudication Basin 29, filed with the Court, or in accordance with partial decrees that will supersede the Director's Report. The grounds for this motion are as follows:

1. Idaho Code § 42-1417 provides that the district court may, by order, permit the distribution of water pursuant to chapter 6, title 42, Idaho Code, through water districts in accordance with the Director's Report and the partial decrees for water rights acquired under state law or established under federal law. Idaho Code § 42-1417 provides that the district court may enter the order after notice and hearing, if the district court determines that interim administration of water rights is reasonably necessary to protect senior water rights.
2. Interim administration of water rights in Basin 29 is reasonably necessary because the available water supply is currently not adequate to satisfy some senior priority water rights and is projected, in the future, to be insufficient, at times, to satisfy these water rights.
3. In accordance with Idaho Code § 42-1417(2)(b), notice of this motion is being provided to all affected claimants in Basin 29 by mailed notice.

THEREFORE, the State respectfully moves this Court for an order authorizing interim administration of water rights in Basin 29 in accordance with the most current Director's Report for this Basin, or in accordance with partial decrees that will supersede the Director's Report. The Affidavit of Timothy J. Luke Dated July 10, 2003 and a brief in support of this motion are submitted herewith. Oral argument on this motion is requested.
