Harriet & Victoria,

Yes at this time he is available that week. He does have early morning meetings on Monday and Friday (2/4 & 8), otherwise Tuesday through Thursday (2/5-7) is clear. I'll tentatively hold that week to give you some time to schedule a status conference in Jerome.

Harriet,

Thank you for this information. Also, I've received returned mail for James Tucker with Idaho Power at a Twin Falls address. He is not located in Twin Falls, he's in Boise. When you mail out your motion please make that correction. His correct mailing address is: P.O. Box 70, Boise, ID 83707

Thanks!

Subject: Status conference 01-17131 et al

We held a second meeting with parties and stakeholders in Twin yesterday. I advised the parties that at the status conference the Board would be requesting a Jan 15 deadline to file any amended applications and/or advise the Director of the Board's intent to move forward with applications as they stand. Several of the parties asked that I file a motion to delay the status conference until the amended applications were filed. They don't feel a status conference will be useful or a good use of their time until they see the amended applications. At their request, I will be filing a motion next week. Just thought I would give you a heads up.
