Re: Idaho Water Resource Board Ground Water Recharge Application

Director Spackman,

On February 26, 2013, I was notified by mail that water right application 01-7134 had been renumbered to 01-10609. Idaho Rivers United is a protestant on the original 01-7134 application and respectfully requests that our protest be applied to the modified 01-10609 application.

Please feel free to contact me with any questions.

Sincerely,
