Re: Application for Permit No. 35-8359

Notice of Information Required by Water Appropriation Rule 4,5,3.

Dear Mr. Kugler:

The Department acknowledges receipt of the Trust Water Information Questionnaire for the above referenced application. On behalf of the Department, I wish to thank you for your cooperation in returning the questionnaire. The required advertising for this application will soon be completed.

In the letter that accompanied the questionnaire, I informed you that you would need to submit additional information required by Water Appropriation Rule 4,5,3. if the undeveloped portion of the application exceeds 200 acres. The returned questionnaire indicates that you wish to pursue completion of the irrigation project as proposed under your application. The project includes more than 200 acres and is therefore subject to the additional information requirements of Rule 4,5,3. In particular, you must submit the information outlined in Rules 4,5,3,1. through 4,5,3,5 (copy attached). A guideline for assisting you with submittal of the additional information is also enclosed.

The information must be submitted within 30 days of the date of this notice. **Failure to submit the required information within the time period allowed may be cause for the Department to void the application.** The Department may grant an extension of time in which to submit the information upon request and a showing of good cause. Requests for extension of time must be in writing. Please contact me at this office or call me directly at 327-7864 if you have any questions concerning the contents of this notice and/or the information requested under Rule 4,5.

Sincerely,

A handwritten signature in black ink that reads "Tim Luke".
