

MEMORANDUM

**To:** File 35-08359`  
**From:** L. Glen Saxton *LS*  
**RE:** PHONE CONVERSATION WITH RICHARD HILL  
**Date:** March 2, 1995

On this date, I called Richard Hill of Northwest Farm Credit Services to inquire about paragraph 5 in the Petition for Reconsideration filed by John Kugler. Hill did not know the background relative to the paragraph.

I further advised Hill that the permit was in the name of Farm Credit Services and not in the name of Kugler. Hill stated that most assignments of permits are to both the permit holder and Farm Credit Services. He said he will either make such an assignment or will send a letter supporting the Petition for Reconsideration filed by Kugler.
