Dear Mrs. Gibson:

Thank you for spending a few minutes on the phone with me last week. I am enclosing the formal Change of Address that you had requested.

As I mentioned to you I had been by the state office in mid September and at that time had orally provided your office with my current address. My purpose in stopping at that time was to obtain an application for an extension of time and, unfortunately, the young lady who was assisting me was both new and computer problems were existing. She had indicated to me that sometime later she would send me what I needed. Thank you for telling me how to get what I needed from the internet on which my wife is much more capable than I. Enclosed please find our request for extension of time in which to complete the works together with our check for the extension fee. Hopefully we have provided sufficient information to effect the extension. Please advise if more is needed.

Thank you again for your telephone assistance.

Sincerely,

  
John B. Kugler
