Dear Mr. Collett:

We acknowledge receipt of the depositions of yourself and two witnesses, also the affidavit of publication from the Idaho Statesman, all in connection with beneficial use proof under the above numbered permit.

However, before final action can be taken in the matter the law requires that a field examination be made by an engineer from this Department.

We cannot say just when this examination will be made, since this Department has but one field engineer, who makes examinations all over the State.

Mr. Tolman, field engineer for this Department, will try to contact you at the time he makes the examination, so that you may arrange to show him over the grounds.

Clara Jenkins
Notary Public
Grandview, Idaho

DEAR ~~SIR~~: Madam:

I enclose herewith the following forms to be used in connection with proof of beneficial use of water under Permit No. 19473

DEPOSITION OF PERMIT HOLDER,
DEPOSITIONS OF TWO WITNESSES.

In submitting this proof the following instructions should be CAREFULLY followed out, since failure to do so may result in the loss of rights:

1. On March 30, 1944, the date set for proof, the enclosed forms (one for permit holder and one each for two disinterested witnesses) should be filled out and sworn to, at Grandview, Idaho before Clara Jenkins, Notary Public

2. When the depositions have been taken they should be mailed to this office, together with affidavit of publication of notice.

When these have been received, together with report of the examining engineer, if everything is properly executed, you will be further advised as to fees due, etc., before certificate is issued.

Yours truly,

JAMES SPOFFORD

Re: Permit No. 19473

Mr. Thomas Collett
Grandview, Idaho

Dear Mr. Collett:

We enclose herewith Permit to appropriate the public waters of the State of Idaho, No. 19473.

You will note that this allows three months within which to make the necessary proofs- but this is only to allow ample time for publication, etc., as we understand that it is your intention to proceed at once with these proofs.

The first or completion of works proof is to be made by affidavit on Form No. 6 enclosed. This you will note is to be filled out with your signature, and acknowledged before a Notary Public. Upon its return to this Department, and the statutory fee of \$5.00, a Certificate of Completion of works will be issued.

As you know, the beneficial proof requires publication for four weeks prior to the date set for making proof. This notice has been prepared in this office, with the exception of the date on which you wish to make the proof- You were to advise us as to this date, which should be not earlier than March 27th, 1944, as the publication in the Sunday Statesman cannot start until March 5th.

Please advise us as to the date agreeable to you and the Notary Public, Clara Jenkins, at your earliest convenience.

Very truly yours,

JAMES SPOFFORD
State Reclamation Engineer
