Mr. Harley M. McDowell
P. O. Box 2161
Boise, Idaho

Dear Mr. McDowell:

Our field engineer's report on his inspection of proof of completion of works and application of water to beneficial use under the terms of Permit No. 20381 in the name of Helen Beck, shows that the well is capable of conveying 25 miner's inches, or .5 c.f.s of water for the irrigation of 25 acres.

Upon receipt of the statutory fee of \$4.00 we will issue the License and Certificate of Water Right (fee based at the rate of \$2.00 for each 40-acre subdivision) confirming the right with priority of May 4, 1948, to the use of .5 second foot of water, with the point of diversion in the SE $\frac{1}{4}$ Sec. 23, T. 1 N., R. 4 E., B. M. for the irrigation of 25 acres in the SE $\frac{1}{4}$ Sec. 23, T. 1 N., R. 4 E., B. M.

Very truly yours,

Ques. 2. If acting in behalf of corporation, state its name, principal place of business (if a foreign corporation, give name of postoffice of statutory agent), your position with reference to same, and your authority for appearing in its behalf.

Ans. Individual

Ques. 3. State number and date of permit, and date of priority you propose to establish under the permit.

Ans. Permit No. 20381; date: April 7, 1948; date of priority: April 2, 1948

Ques. 4. State source of water supply and give exact location of point of diversion.

Ans. Drilled well. SE $\frac{1}{4}$ SE $\frac{1}{4}$, Section 23, T 1 N - R 4 E., B.M.

Ques. 5. Describe your works of diversion, and state amount of water they are capable of conveying from point of diversion to place of use, and give name of canal or ditch or other works by which water is conducted to such place of use. If a well, state depth of well, depth and size of casing and depth to water. If pump is used, state discharge of pump and tell how it was measured or determined. If sprinkler irrigation, give number and size of nozzles and operating pressure.

Ans. This is a horizontal well, 30' deep with 20' lift. Pond has 4' tiling which extends 20' into pond. Pump has 2 h.p. turbin type electric motor with Parma water lifter. Water is carried by pipe and gravity ditches for a distance of 1/2 to 3/4 mile.

Ques. 6. State for what purpose water is used and describe place of use. (If for irrigation, name each subdivision in which used, and number of acres in each subdivision that have actually been irrigated with said water.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. Water is used for irrigation. Place of use: SE $\frac{1}{4}$ SE $\frac{1}{4}$ - 15 acres
SW $\frac{1}{4}$ SE $\frac{1}{4}$ - 5 acres, of Section 23, T 1 N - R 4 E., B.M. I have spent \$3,000 on this water system and improving the land to make it available for irrigation. There are no natural meadows or natural irrigation.

Deposition of Witness

The deposition of two witnesses, on this form, taken separately, required in each case.

Ques. 1. State your name, age, residence, occupation and postoffice address.

Ans. Name: John Garrett Age: 48 Residence: Mayfield, Idaho
Occupation: Ranching P. O. Address: C/o Mayfield Stages, Boise, Idaho

Ques. 2. Are you acquainted with Helen Beck, the holder of Permit No. 20381? How long have you known him and where does he reside?

Ans. I have known Helen Beck for approximately 10 years and I know that she lives in Mayfield.

Ques. 3. Have you read or heard read said Permit No. 20381, and are you familiar with its provisions and conditions?

Ans. I know about the permit and I am familiar with its terms.

Ques. 4. State source of water supply, place of diversion, and describe works for conveying water from point of diversion to place of use.

Ans. Drilled horizontal well, 30 ft. deep, located in SE 1/4 SE 1/4, Section 23. Water is pumped from pond which is partially tiled. There is a 20 ft. lift. Pump has a 2 h.p. turbin type motor with Parma water lifter. Irrigation is by gravity ditches and pipe capable of carrying 30 to 40 inches of water.

Ques. 5. How many second feet of water do you estimate said works will safely conduct to place of use, and how much water have you seen being so conveyed?

Ans. I estimate these works will safely conduct to place of use as much as 30 to 40 inches of water and I have seen 15 to 20" so conveyed.

Ques. 6. (Pumps) How much water in cubic feet per second, miner's inches, or gallons per minute have you seen the pump deliver, and how did you measure or estimate the amount? I have seen the pump discharge 15 to 20 inches of water. This estimate is based on my knowledge of irrigation water I have seen measured.

Ans.

Ques. 7. State for what purpose water is used and at what place. (If for irrigation, give each subdivision in which water has been used and number of acres irrigated in each subdivision.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. Water is used for irrigation. Location of land irrigated is as follows;
SE $\frac{1}{4}$ SE $\frac{1}{4}$ - 15 acres and SW $\frac{1}{4}$ SE $\frac{1}{4}$ - 5 acres, all in Section 23. There are no
natural meadows.

Ques. 8. If for power or other purposes than irrigation, state how water has been applied and to what extent.

Ans. Irrigation only.

Ques. 9. (If for irrigation) state character of land that has been reclaimed, and give your estimate of the amount of water required for its profitable cultivation.

Ans. Sandy loam. Good land when irrigated and it needs all the water being used.

Ques. 10. Have you any interest in the works, water or lands above mentioned? If so, in what way and to what extent?

Ans. No interest.

Ques. 11. State when, how, in what amount and to what extent you have witnessed the application to beneficial use of water diverted under said permit.

Ans. I have seen this place irrigated during summer for the past four years.
I keep the pump in working order, etc.

Dear Mr. McDowell:

This acknowledges the Notice of Proof of Application of Water to Beneficial Use under Permit No. 20381, in the name of Helen Beck. Final proof is to be made before you, as Notary, on the 9th of May, 1959, at Boise, Idaho, at 10:00 A. M.

As of this date we have mailed the notice to the News, Mountain Home, Idaho, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the permit holder and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that Your Notary's seal has been placed on each and that all depositions (Holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

Dear Sir:

The date for proof of application of water to beneficial use, as set out under the terms of Permit No. 20381 is due not later than April 7, 1959. If by this date you are not prepared to make this proof, you may make it at a later date, however, your priority will be advanced the same length of time for which the proof is late.

Before this proof can be made, the statutory requirement is that a Notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county.

We enclose Form 10, in duplicate, which is to be filled in and returned to this department at least forty (40) days before the above mentioned date or before the time you intend to make proof. This form, in duplicate, is to include the time of day, the date (allowing for four weeks publication), the name of the town, the address of the Notary Public before whom you will appear to make the depositions of proof (this may be at any place that is convenient for you and your two witnesses), the quantity of water, for what purpose it is used, the point or points of diversion and the location of use or lands which are irrigated--by 40-acre legal land description. Descriptions should be taken from your Permit, including any amendments thereto, as recorded in this department. If changes have been made and no amendments are on record, we advise that you request a form for this purpose before your Notice is published.

Also enclosed is Form 11, which is the authorization for us to have the Notice published in the designated county newspaper, at your expense. This is to be returned with Forms 10.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set and at the place named, before the Notary Public, as advertised in the publication notice.

IN THE MATTER OF THE ESTATE OF) DEGREE OF SETTLEMENT OF FINAL ACCOUNT
JAMES O. BECK, DECEASED.) AND OF DISTRIBUTION

—*—
*
*

Martin Olson, Jr., the Administrator with the Will Annexed of the estate of James O. Beck, deceased, having on the 25th day of December, 1956, filed in this court his final account and petition for distribution of the above entitled estate, and, said matter coming on regularly to be heard the 8th day of January, 1957, and it appearing to the court that notice of the settlement of the said final account and the hearing of said petition has been given in the manner and for the time required by law and as ordered by the court; and, no objections being filed to said final account nor to said petition, and it appearing that said account and petition are in all respects true and correct, and that all taxes due upon said estate, including estate and inheritance taxes, have been paid;

And, it further appearing that since the rendition of said account there has come into the hands of the said administrator sums as follows:

The sum of \$18,892.54 advanced and contributed by Helen Beck, the surviving wife of said decedent, for the payment of the attorneys' fees and administrator's fees and expense of administration

30.381

and other indebtedness of said estate; the sum of \$138.20 received as dividend from National Farm Loan Association; and the sum of \$33.25 received as rent from Valley Agency;

And, it further appearing that there has been expended by the said Administrator as necessary expenses of administration the sums as follows: To Anderson, Kaufman and Anderson and Kenneth O'Leary the sum of \$8,924.88 as attorneys' fees for services to the Administrator and to Martin Olsen, Jr. the sum of \$8,924.88 as fees and compensation of the said Administrator, and to Eugene H. Anderson costs and expenses of administration in the amount of \$154.75; to Robert M. Naylor the sum of \$100.00 for rent of vacuum;

And, it further appearing that the said expenditures were necessarily made and that the payment thereof should be approved by the Court; and, it further appearing that the estimated expense of closing said estate will amount to the sum of \$175.00;

And, it further appearing that all expenses, claims, obligations and liabilities of said estate, have been paid and that said estate is now ready for distribution and in a condition to be closed;

And, it further appearing that the only next of kin and heirs at law of the said James O. Beck, deceased are Helen Beck, his surviving wife who is of the age of majority and who resides at Mayfield, in the County of Blaine, State of Idaho, and Carolyn Jane Beck Jones, a daughter and the only child of the said James O. Beck, who is also of the age of majority and who resides at 1210 West Franklin Street, Boise, Idaho, and that the said

Helen Beck and the said Carolyn Jane Beck Jones are also legatees and devisees under the terms of the Will of the said decedent, and that the only other and additional legatee and devisee named in said Will is Dorothy Beck Carlson, the sister of decedent, who is also of the age of majority and resides at 1101 Fort Street in Boise, Idaho; and it further appearing that the said decedent died testate leaving his last will and testament admitted to probate by Order of the above entitled court on the 28th day of February, 1955, but that the said Helen Beck, Carolyn Jane Beck Jones and Dorothy Beck Carlson have made Contract providing for partition and distribution of the estate of the said James O. Beck, deceased, a copy of which said Contract was attached to the final account and petition for distribution in the above entitled cause and filed in the above entitled court. And, it appearing that said Contract for partition and distribution of said estate was recorded in the office of the County Recorder of the County of Elmore, State of Idaho, on the 7th day of December, 1956 in Book 29 of Contracts and Agreements at pages 49 to 57, inclusive, and that the same said Contract was recorded in the office of the County Recorder of the County of Ada, State of Idaho on the 13th day of December, 1956 in Book 22 of Contracts and Agreements commencing at page 70;

And, it further appearing that said Contract for the partition and distribution of said estate is in all respects fair and equitable and fully authorizes the partition and distribution of the said estate as hereinafter ordered and decreed by the Court;

NOW, THEREFORE, IT IS ORDERED, ADJUDGED AND DECREED BY
THE COURT AS FOLLOWS:

That the said Final Account of the said Administrator be,
and the same is hereby, settled, allowed, approved and confirmed;

That the said account of the expenditures made by the said
Administrator from the time of filing said final account and
petition for distribution and pending the hearing thereon, be,
and the same is hereby, also settled, allowed, confirmed and
approved;

That the only heirs at law and next of kin of the said James O.
Beck, deceased, are Helen Beck, his widow, and Carolyn Jane Beck
Jones, his daughter, and that the only persons interested in or
entitled to distribution from the said estate are the said Helen
Beck and Carolyn Jane Beck Jones, and also Dorothy Beck Carlson,
the sister of said decedent, also named in said Will as one of the
legatees and devisees thereunder.

RE: Permit No. 203 81

Boise, Idaho

February 1, 1957

Mr. James O. Beck
Mayfield, Idaho

Dear Sir:

We enclose herewith blank notice for proof of application of water to beneficial use under your Permit No. 20381. This notice should be filled out in duplicate and returned to this office at least 40 days before the date upon which you wish to make this proof, in order to allow time for the four weeks' publication required by law.

This proof must be submitted before a Notary Public or other officer authorized by law to administer oaths.

The date for proof, as set out in your permit, is not later than April 7, 1957, and if proof is submitted later than said date, your priority will be brought down a length of time equal to the time elapsing between the date the proof is due and the date proof is actually made.

Very truly yours,

Dear ~~Sir~~ Madam:

We enclose herewith blank notice for proof of application of water to beneficial use under your Permit No. 20381. This notice should be filled out in duplicate and returned to this office at least 40 days before the date upon which you wish to make this proof, in order to allow time for the four weeks' publication required by law.

This proof must be submitted before a Notary Public or other officer authorized by law to administer oaths.

The date for proof, as set out in your permit, is not later than April 7, 1955, and if proof is submitted later than said date, your priority will be brought down a length of time equal to the time elapsing between the date the proof is due and the date proof is actually made.

Very truly yours,

Dear Mr. Beck:

We enclose Permit No. 20381 for 4.8 second feet of water from an underground well, etc., instead of 8 second feet applied for.

This reduction is on account of the statutory limitation of one inch of water per acre.

Departmental Receipt No. 20510 is also enclosed for the \$6.00 filing fee, and as your check was in the amount of \$6.75 for the larger amount, there is a refund of seventy-five cents due you which we enclose herewith.
