

# Calendar & Conceptual Changes for ESPAM3

22 September 2009

B. Contor

# Interdependent Concepts

- Extent of conceptual changes governs calendar
- Calendar defines the extent of conceptual changes we may consider

*"We can do  
anything we want,*

*but we can't  
do*

***EVERYTHING***

*we want."*

# Proposed Discussion

- BRIEF discussion of level of changes & calendar implications
- Outline of calendar
- More discussion of level of changes
- Possible initial discussion of candidate conceptual model changes
