Re: Revised Dates for Director's Report for Basin 95, Part 2

It has come to the Department's attention that two inaccurate dates were listed in the original mailing of the recent Notice of Filing Director's Report for Basin 95, Part 2, Water Rights (on pages 2 & 3). The operative dates pertaining to that Director's Report are as follows (corrected dates are underlined below):

**Objection Deadline:**  
**Monday, July 15, 2019**

**Response Deadline:**  
**Wednesday, September 18, 2019**

**Hearing on Uncontested Recommendations:**  
**Tuesday, November 19, 2019 at 1:30 p.m. (Pacific).**

We apologize for any inconvenience or confusion the inadvertent errors may have caused.

Sincerely,

A handwritten signature in blue ink that reads "Carter Fritschle". The signature is written in a cursive, flowing style.
