

## WATER DISTRICT MAJOR PROPERTY BUILDINGS & CONTENT INSURANCE FORM

Use this form to list all information related to the water district property including the building and contents, supplies, mobile equipment (motorized equipment not licensed for road use), and equipment with a value greater than \$2,000.

Complete this form **only if**:

- The water district named below owns or leases a building, **and**
- The water district named below owns equipment valued at more than \$2,000 (may include water measurement equipment, other field equipment, etc. *Does not* include water district-owned vehicles, see Auto Physical Damage form).

Water districts that do not own or lease a building must use the Major Property Equipment form to list equipment valued at more than \$2,000.

Note: Individual items listed on this form (see *Individual Content/Equipment Valued Over \$2,000*) **must** include a water district property or inventory number created by the water district (ex. WD01-001, WD01-002, etc.). All items with property/inventory numbers must be tracked by the water district on an inventory list or spreadsheet.
