## Hydrography Technical Working Group Meeting

Idaho Department of Water Resources

Sept. 10, 2020 ☀ 9:00 am MT

Idaho Water Center  
322 East Front Street  
Boise, ID 83720

Arrowrock  
Conference Room  
549 - 5<sup>th</sup> Floor

### Parking & Directions

The Water Center is on the corner of Front and Broadway (the Northwest corner), 322 E. Front Street. When you turn onto Front Street from Broadway, you will go about 1/2 block and turn right at the stoplight, into a driveway with a toll-gate. You can pull a ticket and drive through the gate, then turn right and go down into the parking garage. There are some visitor parking spaces toward the east end of the garage, but you can park in any un-reserved space. There is a fee for parking after the first hour of \$1.50 per hour – carpooling is encouraged!

There is limited on-street (free) parking across the street from Winco (not in their lot), and along some of the side streets that border the Water Center.

The elevators are at the east end of the garage, through the glass doors. Our meeting room is on the 5th floor in the Arrowrock conference room.

### *Sign in, Welcome, Introductions*

### **Elevation-Derived Hydrography Acquisition Specifications and Elevation-Derived Hydrography Representation, Extraction, Attribution, and Delineation Rules (READ Rules)**

- USGS

This presentation will provide an overview of the Elevation-Derived Hydrography Acquisition Specifications and the READ Rules and their uses.

### **Proposed Changes to the boundary of the Idaho Falls (17040201) Sub-basin**

- USGS

This presentation will highlight the proposed changes, show alternatives, and describe effects on HU10 and HU 12 names and numbering.

### **Other Updates:**

- Watershed Boundary Dataset (WBD)
- National Hydrography Dataset (NHD)
- NHD/WBD Tool Status

### **Other Business**

**Next TWG: March 11, 2021**

Call in number: 1-720-279-0026 224422

GoToMeeting Connections  
are available.
