RE: Notice of Curtailment of Ground Water Rights with Priority Dates Junior to June 20, 1989—Surface Water Coalition Delivery Call

Dear Water Right Holder,

You are receiving this letter because you are the holder of one or more ground water rights subject to the attached curtailment order recently issued by the Idaho Department of Water Resources ("Department"). However, because you are also a ground water user in good standing with a ground water district member of the Idaho Ground Water Appropriators, Inc. ("IGWA"), you are protected from curtailment by IGWA's approved March 9, 2016, mitigation plan. Your ground water right/s will continue to be protected from curtailment so long as you remain in good standing with a member ground water district participating in the mitigation plan and the obligations identified in the plan continue to be met. See IDAPA 37.03.11.040.05.

Information regarding the ongoing status of this curtailment may be found at: <http://www.idwr.idaho.gov/News/WaterCalls/Surface%20Coalition%20Call/>. If you have questions concerning this notice, please contact Mathew Weaver at the Department's State Office at 208-287-4800, Nathan Erickson at the Department's Southern Regional Office at 208-736-3033, or James Cefalo at the Department's Eastern Regional Office at 208-525-7161.

Respectfully,
