The Spring Users filed a Joint Petition for Clarification March 12, 2008. IGWA filed a response to the Joint Petition. The basis for the recommendation concerning the scope of curtailment or corresponding mitigation has been set forth previously. No further explanation of the recommendation would add clarity to the record, and consideration of the matters argued in the Joint Petition does not lead to an alteration of the recommendations that have been made to the Director. The Joint Petition filed March 12, 2008, is DENIED.

Dated March 26, 2008.
