**Re: Rangen Case No.'s CM-MP-2014-001, 004**

Dear Director Spackman,

With regard to your Order Approving In Part And Rejecting In Part IGWA's Mitigation Plan; Order Lifting Stay issued February 21, 2014; Amended Curtailment Order dated April 11, 2014 and in accordance with the Memorandum Agreement entered into February 11, 2014 between me and North Snake Ground Water District, this will confirm that I agree to cease diverting 0.3 CFS from Curren Tunnel through my irrigation pipeline. Based on my understanding of your order, this will enable IGWA to be granted 3.0 CFS of total annual mitigation credit for the annual period from April 1, 2014 through March 31, 2015.

Sincerely,

HOWARD "BUTCH" MORRIS
