Subject: Cities' Motion for Stay

Garrick,

To follow up on our phone conversation, the Cities would like IDWR to hold off, at this time, on a ruling on the Cities' motion for stay. The Cities will let IDWR know when to proceed on the motion. At this time, however, because there is currently a stay in place during the pendency of IGWA's Tucker Springs mitigation plan, the Cities do not wish to pursue their request for stay.

If you have any questions, please let me know.

Thanks,

Chris M. Bromley
