**SUN VALLEY COMPANY'S MOTION FOR
ORDER AUTHORIZING DISCOVERY**

COMES NOW Sun Valley Company, by and through undersigned counsel of
record, Scott L. Campbell of the law firm Moffatt, Thomas, Barrett, Rock & Fields, Chartered,
and pursuant to Idaho Department of Water Resources Administrative Rules of Procedure 260,

520 and 521 (IDAPA 37.01.01.260, 37.01.01.520 and 37.01.01.521), and hereby moves for an order authorizing discovery by Sun Valley Company in the above-captioned matter. Sun Valley Company seeks authority to conduct all forms of discovery listed in Rule 520.01.a-d and seeks leave to conduct discovery against all parties or other knowledgeable persons or entities.

The grounds for this motion are as follows:

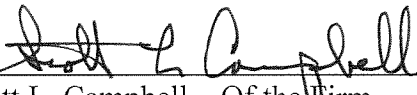

1. This is a contested case and Sun Valley Company is a party to this proceeding.
2. The Idaho Department of Water Resources Administrative Rules of Procedure allow discovery by a party in a contested case, but only pursuant to an order from the Director of the Idaho Department of Water Resources authorizing discovery.
3. The factual issues that the Director must address in this case, including issues regarding conjunctive management of the surface and ground water rights in issue and the alleged material injury to and use of the water rights owned by the members of Petitioner, are complex, extensive and in controversy. Discovery will permit the parties to develop a more adequate record and thus will facilitate the task of the hearing officer.
4. Discovery will also serve to narrow the issues and allow parties to focus on the important facts and issues to be resolved during the proceedings. Absent discovery, extensive examination and cross-examination at hearing will be required to develop even basic evidence and information, and evidence and information that could prove crucial to the Director's evaluation of the issues are more likely to be missed or overlooked. Authorizing discovery before any hearing addressing the substantive merits of these proceedings will allow for a more productive and efficient administration thereof.

CONCLUSION

Sun Valley Company requests that this motion be granted to allow discovery for a minimum time period of six (6) months from the date of an order authorizing discovery.

Respectfully submitted this 29th day of April, 2015.
