2. No party to this stipulation will seek a continuance of the above schedule, unless for, death, illness, or similar circumstances beyond their control.

4. The parties to this stipulation agree to cooperate in good faith to timely complete pre-hearing discovery.

5. With respect to this consolidated proceeding, the parties to this stipulation agree not to oppose intervention by other water users who are not parties for the purpose of presenting briefs and argument on common issues of law, including responding to IGWA's motion for summary judgment and petition for declaratory ruling filed on June 18, 2007. This non-opposition is conditioned upon those intervening water users accepting the designated hearing officer and the schedule addressing those issues of law.

6. That the Director or Hearing Officer enter an Order approving this Stipulation and Joint Motion for Rescheduled Hearing and Order without oral argument or hearing.

binding upon any party, shall be deemed withdrawn, with the hearing remaining as scheduled by previous Order.

8. This Stipulation and Joint Motion for Rescheduled Hearing and Order is made upon the grounds and for the reasons that the foregoing Stipulation will avoid scheduling conflicts with the hearing on the Surface Water Coalition Delivery Call, enable the parties to fully prepare for the hearings, and facilitate a timely and orderly disposition of all proceedings.
