JOHN B. KUGLER, petitioner/appellant herein, being first duly sworn deposes and says that he makes this affidavit in support of his Motion For Enlargement of Time in which to file a memorandum or brief with this Court for the specific reason that your affiant believes that it may be of assistance to this Court and to the respondent at the pursuant to the Notice of hearing, received May 26th, now scheduled for June 29th in Twin Falls. Your affiant requests an enlargement of time until June 8, 2015. This is the first time that your appellant has applied for a well drilling permit since the water permit was issued.

Your petitioner/appellant has discussed this question with Mr. Baxter's associate, actually it was her idea, that the water department could utilize an outline of some of my thoughts for their preparation as well. I have been notified

that my respondent will not oppose my request for an enlargement of time in which to provide to the Court and counsel a memorandum or brief setting forth the issues as I see them.

The granting of an order enlarging the time as requested will be most respectfully appreciated.
