Copy to water court

COMES NOW the Petitioner, Richard Parrott, to add 47 page document supporting transfer to J-3 Dairy.

FACTUAL BACKGROUND

1. Leno was not using the well in the time frame necessary to grant a transfer .
2. Insufficient proof was offered in the form of diesel receipts.

3. Google earl images since 2000 show no beneficial uses (green) during appropriate time period.
4. Exhibit A reveals the hearing officer was taking notice of past (unprotested) decision and he relied on Cedar Ridge council for information.

RESPECTFULLY SUBMITTED,

RICHARD PARROTT, 208-308-7113

A handwritten signature in black ink that reads "Richard Parrott". The signature is written in a cursive style with a horizontal line underneath the name.

1 (Transcript of Proceedings.)
2
3 HEARING OFFICER: Good afternoon. My name is
4 James Cefalo. I'm the program manager from the
5 Department of Water Resources in the Eastern Regional
6 office located in Idaho Falls. I'm the hearing officer
7 on behalf of the Department. Sharla Cox is also from
8 Idaho Falls and is assisting me with the hearing.
9 The purpose of this hearing is to receive
10 evidence and testimony in connection with applications
11 for transfer number 79380 and 79384 filed under the
12 name of Thomas and Dorothy Leno which have been
13 protested.
14 This hearing will be conducted in compliance
15 with the applicable provisions of Chapter 2 of Title 42,
16 Chapter 52 Title 67 of the Idaho Code, and the
17 Department's Rules of Procedure.
18 The hearing is beginning on Thursday,
19 March 19th, at 1:30 p.m. at the SRBA Court located in
20 Twin Falls, Idaho.
21 Present at the hearing today we have
22 Mr. Travis Thompson, an attorney on behalf of the
23 applicants. We have -- let me read through this list.
24 We have Mr. Conder, Jimmie Conder as a protestant.
25 Leslie Ellsworth still with us?

1 Elliott here. So going through the parties, that's who
2 we've got with us.
3 As the hearing officer, I will take official
4 notice of the Department's files for transfer
5 applications 79357 and 79380, past orders and decisions
6 of the Department, the Department's water right records,
7 reports, measurements and streamflow records in the
8 Department's files, and any well logs and well driller
9 reports that may be relevant to this case.
10 At this point I will also take official
11 notice of the testimony, the expert testimony that has
12 been offered in contested case transfer 79384 which was
13 held yesterday and earlier this morning. Expert
14 testimony was offered by Greg Sullivan, Chuck Brockway,
15 DuWayne Kimball, Bill Bonnichsen, and Ed Squires.
16 Did I get everybody? And that expert
17 testimony and the cross-examination of those individuals
18 will be incorporated into this administrative record as
19 it pertains and is relevant to this record, to these
20 contested cases.
21 With that, I think we're prepared to begin
