**AFFIDAVIT REGARDING SECOND ROUND SERVICE OF
COMMENCEMENT NOTICE FOR BASIN 63 (ADA COUNTY)**

I, Danni M. Smith, being first duly sworn on oath, depose and state as follows:

1. I am employed by the Idaho Department of Water Resources ("IDWR") and have been so employed since August 14, 1988. I am the Administrative Assistant 1 for the Adjudication Bureau of IDWR. I have been employed in this position since April 30, 1989. One of my duties in this position is assisting with the second round service for the Snake River Basin Adjudication ("SRBA").

2. A Second Round Service of Commencement Notice for Ada County in Basin 63 (“Second Round Notice”) was prepared pursuant to Idaho Code § 42-1408(4) and is attached hereto as Exhibit A and incorporated by this reference.

3. On April 23, 2004, the Second Round Notice was mailed by certified mail, return receipt requested, to each of the persons listed on Exhibit B attached hereto.

4. Pursuant to the *Second Amended Second Round Service Order* (hereinafter “Service Order”) issued by the SRBA District Judge on January 14, 2000, the mailing list (Exhibit “B”) for the Second Round Notice was compiled using procedures identified in the Service Order in part III. A. (Water Right Data Base), B. (GIS Evaluation and Second Round Service), and C. (Potentially Unclaimed Water Rights Discovered During the Investigation of Claims).

Unclaimed rights were identified in Ada County of Basin 63. In accordance with the Service Order, I researched the county assessor and recorder databases for Ada County to determine the chain of title for the unclaimed places of use. See Service Order at 3. If ownership could not be ascertained, I used assessors’ plat and subdivision maps, companion sheets, and database information to determine the current owner of the property as well as to identify all lien holders to the property. The list of current property owners was then reviewed to remove duplicate names as required by the Service Order. See Service Order at 4.

Civil Case No. 39576
**SECOND ROUND SERVICE OF
COMMENCEMENT NOTICE FOR
BASIN 63**

IMPORTANT LEGAL NOTICE:

Records of the Idaho Department of Water Resources (IDWR) indicate that you may own or have an interest in a water right in the Snake River Basin, but have **NOT** filed a Notice of Claim with IDWR for this water right. This notice serves as your second and **FINAL** notice of your responsibility to file a Notice of Claim. **FAILURE TO FILE A REQUIRED NOTICE OF CLAIM WILL RESULT IN A DETERMINATION BY THE COURT THAT THE WATER RIGHT NO LONGER EXISTS.**

YOUR FILING DEADLINE IS JULY 23, 2004

On November 19, 1987, the District Court for the County of Twin Falls issued an order commencing a general adjudication of all water rights from the Snake River Basin water system in Idaho. A general adjudication is a court case which will result in a decree determining all water rights from the water system. The purpose of the adjudication is to determine an accurate schedule of water rights to assure the proper delivery of water in times of shortage. The purpose of this notice is to inform you of your legal responsibility at this stage of the adjudication.

WHO NEEDS TO FILE A NOTICE OF CLAIM WITH IDWR?

Idaho Code § 42-1409 requires all persons owning water rights within the boundaries of the Snake River Basin water system in Idaho to file a Notice of Claim with IDWR for each water right, except for certain water rights specifically excluded by law. **Failure to file a required Notice of Claim will result in a determination by the court that the water right no longer exists.**

You **MUST** file a Notice of Claim with IDWR if your water right is based upon:

- a **CONSTITUTIONAL** or **HISTORIC USE RIGHT** (a diversion and application of water to a beneficial use, regardless of whether the water right has been recorded with IDWR pursuant to Idaho Code § 42-243);
- a **STATE** or **FEDERAL DECREE** (even if your water right was decreed in a previous adjudication you still must file a Notice of Claim with IDWR);
- a **LICENSED RIGHT** (based upon a license issued by IDWR, formerly known as the Idaho Department of Water Administration, the Idaho Department of Reclamation, and the State Engineer's Office);
- an **APPROPRIATION PERMIT** if proof of beneficial use was filed before November 19, 1987 (based upon a permit issued by IDWR, formerly known as the Idaho Department of Water Administration, the Idaho Department of Reclamation, and the State Engineer's Office); or

- a **FEDERAL LAW** (generally reserved rights claimed by the federal government, by or on behalf of the Indian Tribes, or by subsequent owners of former federal reserved lands).

WHO DOES NOT NEED TO FILE A NOTICE OF CLAIM WITH IDWR?

- **Small Domestic and Stockwater users:** A Notice of Claim may be, but is not required to be, filed at this time for water rights used solely for small Domestic and/or Stockwater purposes (D&S), as those terms are defined by Idaho Code § 42-1401A (4) & (11). However, even if you have a D&S water right, it might be to your advantage to file a claim on this water right in this adjudication for a number of reasons. First, you will be required to have the water right adjudicated before the water right can be distributed by a watermaster or before an application for change of the water right may be filed with IDWR. Furthermore, while the filing fee for a Notice of Claim with IDWR for a D&S water right is currently \$25, the costs of filing a motion with the district court at a later date to have the water right adjudicated will be considerably higher.
- **Permits for which Proof of Beneficial Use was filed on or after November 19, 1987:** A Notice of Claim may be, but is not required to be, filed for permits for which proof of beneficial use was filed on or after November 19, 1987. The director of IDWR may at a later date require holders of such permits to file a Notice of Claim. If the director does issue such an order, the permit holder will be notified by mail.
- **Fire-Fighting and In-Stream Livestock:** A Notice of Claim may be, but is not required to be, filed for water rights arising under Idaho state law that are used solely for fire-fighting purposes or solely for in-stream livestock use as defined by Idaho Code § 42-113.
- **Water users who are not the owner of the water right:** A person using water from the Snake River Basin water system is not required to file a Notice of Claim if the water user is not the owner of the water right, but the water user should make sure that the owner has filed a Notice of Claim. For example, a water user need not file a Notice of Claim where the water user receives water solely by virtue of ownership of shares of stock in a water delivery organization, or solely by virtue of being located within the boundaries of a water user organization if the water delivery organization holds legal title to the water right and if the water delivery organization has filed a Notice of Claim. Examples of water delivery organizations include cities, water utility companies, and irrigation districts, among others.

WHAT WATER SOURCES ARE INCLUDED IN THE SNAKE RIVER BASIN ADJUDICATION AND WHAT ARE THE BOUNDARIES?

A Notice of Claim must be filed for water from any water source, including streams, springs, lakes, ground water, developed water, wastewater, or any other source for any purpose within the boundaries of the Snake River Basin water system in Idaho. A map showing the boundaries of the water system is included at the end of this notice.

WHAT ARE THE FEES AND DEADLINES FOR FILING A NOTICE OF CLAIM?

Idaho Code § 42-1414 requires each person who files a Notice of Claim, except those exempted by law, to pay a filing fee. Failure to pay the fee will result in rejection of the Notice of Claim.

The deadline for filing Notices of Claims to water rights is July 23, 2004. Late-filed Notices of Claims will be accepted prior to filing the director's report with the court, but failure to file a Notice of Claim by the deadline may result in assessment of a late fee of \$50.00 or 15% of the original filing fee, whichever is greater.

A late fee may also apply if you were previously served with a Commencement Notice and did not file your claim by the deadline set forth in the previous notice.

NOTICE OF CLAIM FORMS AND INSTRUCTIONS

Notices of Claims must be filed on forms prepared by IDWR or a reasonable facsimile. When filing at an IDWR office, bring a legal description of the property with Township, Section, Range and ¼, ¼. The lot and block numbers are not sufficient. Claimants should always call the nearest regional office to make an appointment if desiring assistance to fill out a Notice of Claim. The Notice of Claim forms and instructions for completing and filing the forms are available on IDWR's website at www.idwr.state.id.us or at the following locations:

1. **IDWR, Western Region, 2735 Airport Way, Boise, ID, 83705, Phone (208) 334-2190;**

NOTICE TO IDWR OF CHANGE IN OWNERSHIP OR ADDRESS

Idaho Code § 42-1409(6) requires all purchasers of a water right to inquire of IDWR whether a Notice of Claim has been filed. If not, the purchaser must file any required Notice of Claim, as described above. If a Notice of Claim has been filed, the purchaser must file with IDWR a written notice of the change in ownership along with some evidence of ownership. "Purchaser" includes any person acquiring a water right from another water user, whether it is acquired by purchase, gift, inheritance, or any other means. Idaho Code § 42-1409(6) requires all persons who have filed a Notice of Claim to file a written notice of change in address with IDWR.

FURTHER INFORMATION

The files of the District Court for Ada County will contain affidavits and other documents listing the persons served with copies of this notice. Documents can also be obtained at the Snake River Basin Adjudication District Court (SRBA) at the following address: SRBA District Court, 253 Third Avenue North, Twin Falls, ID 83303-2707, telephone number: 208-736-3011.

If you want information concerning other documents filed in this adjudication, which are filed with the court, you may obtain a copy of the docket sheet from any office of IDWR or the SRBA website at www.srba.state.id.us/docket.htm. The docket sheet will be prepared each month and will reflect the court's schedule for the following three months.
