

the Orders and Proceedings from Gary Spackman and the Idaho Department of Water Resources.

2. The appellant has a right to appeal to the Idaho Supreme Court pursuant to Idaho Appellate Rules 4 and 14.

3. Appellant states that issues on appeal involve the failure of IDWR and Gary Spackman to grant appellant a well drilling permit, the refusal of IDWR to allow appellant the right to proceed in the development of an irrigation system on a small farm pursuant to a permit granted by the IDWR on behalf of the State of Idaho that was issued in November of 1984, by the abuse of process by Gary Spackman and by the District Court's failure to permit augmentation of the record and its confirmation of the taking of appellant's property right.

4. No order has been received sealing any portion of the record.

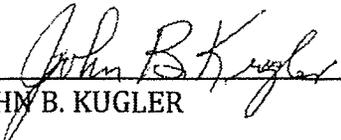

5. Only a partial transcript of the record is required, which at this point has not been fully determined.

6. Appellant requests that the affidavits of appellant be included in the clerk's record.

7. I certify that the clerk of the District Court has been paid the appellate fee and that a deposit has been paid to the clerk towards the cost of preparation of the clerk's record and that the balance will be paid forthwith when determined.

8. I further certify that a true copy of this Notice of Appeal has been served upon Gary L. Baxter, Deputy Attorney General, P.O. Box 83720, Boise, ID 83720-0098, postage prepaid, this date.

Dated this 3<sup>rd</sup> day of July, 2012.
