Sylte Petition for Declaratory  
Ruling Regarding Distribution  
of Water to Water Right No. 95-0734

BEFORE THE IDAHO DEPARTMENT  
OF WATER RESOURCES  
Docket No. P-DR-2017-001

I am a Water Right Holder in Water District 95C and I support the Sylte Petition. I believe the water should be allowed and flow to Water Right 95-0734. Our family has maintained our property on Lower Twin Lakes since the 1940s. I have lived here at the lake since 1999. I own a business on the lake and live here year round. I have not had a water problem. I support the Syltes, who arrived in 1934, maintain their integrity concerning the use and care of the land. The ownership of Water Right 95-0734 was established in 1875. I ask the Department of Water Resources of the State of Idaho to rule in favor of the Sylte petition. In all these many years I have not heard a complaint using the current procedure.
