Sylte's Petition for Declaratory  
Ruling Regarding Distribution  
Of Water Right No. 95-0734  
Before the Idaho Department  
Of Water Resources  
Docket No. P-DR-2017-001

I am a water right holder in Water District 95C and I support the Sylte's petition. My family has owned property on Twin Lakes and along the Creek since the early 1950's, I believe that the water must flow year around in and out of Twin Lakes for the lake to remain healthy. I have always thought the Sylte's have taken care of their responsibilities for the lake and creek. Also, I am in support of senior water right holders to get the delivery of the water.
