RE: Docket No. P-DR-2017-001
IDAPA 37.01.01.701

ATTN: Shelley Keen

I am petitioning to request that the default order not be entered against me. I was unable to attend the prehearing conference due to an unavoidable scheduling issue relating to a serious illness. I wish to continue being a part of the petition to intervene.

I am enclosing the front of the envelope which contained the Proposed Default Order to indicate the date that I received the document.
