Subject: Flood Control Commissioner appointment

Mr Spackman,

I am taking my time to write to you today to let you know that I strongly object to the recent reappointment of Gordon Sylte as Flood Control Commissioner. In my opinion Mr. Sylte has been negligent in his duties while holding this position for the last year and, on top of that, he has a severe conflict of interest.

Please take the time now to correct this mistake and appoint someone who will represent all of his constituents.

Someone who will be more attentive and that's able to do a better job for all.

Thank you for your time.

Sincerely,

Linda Solan
