

**BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO**

IN THE MATTER OF STREAM CHANNEL
ALTERATION PERMIT NO. S82-20069

Docket No. P-SCAP-2019-001

**NOTICE OF SECOND
PREHEARING CONFERENCE**

On July 29, 2019, the Director of the Idaho Department of Water Resources (“Department”) held a pre-hearing conference in the above-captioned matter. During the conference, the holder of Stream Channel Alteration Permit No. S82-20069 (“State Permit”), David Hembree (“Hembree”), stated he would not begin the mining authorized by his State Permit until he obtained further permits from the appropriate federal agencies. Hembree further stated he did not believe he would obtain the federal permits before August 15, the last day the State Permit authorizes recreational dredge mining in Leggett Creek. Because it is unlikely Hembree will mine under the State Permit this season, the parties agreed to a second prehearing conference.

The Director hereby notifies the parties that a second prehearing conference will be held in the above-captioned matter on **August 15, 2019 at 2:00 p.m. (MDT)**, in Conference Room 648A of the Department’s State Office, located at 322 E. Front Street, 6th Floor, Boise, Idaho. The parties shall come prepared to establish a hearing schedule.

All parties must be present at the prehearing conference in person or by telephone. If participating by telephone, please call (720) 279-0026, and when prompted, enter the assigned participation code number: 234278 followed by the ‘#’ key.

The prehearing conference will be held in accordance with the provisions of Chapters 38 and 17, Title 42 and Chapter 42, Title 67, Idaho Code, and the Department’s Rules of Procedure. IDAPA 37.01.01. A copy of the Rules of Procedure may be obtained from the Department upon request or at <https://adminrules.idaho.gov/rules/current/37/index.html>.

The conference will be conducted in a facility that meets the accessibility requirements of the Americans with Disabilities Act. If you require special accommodations in order to attend, participate in or understand the conference, please advise the Department no later than five (5) days prior to the conference. Inquiries for special accommodations should be directed to Kimberle English, Idaho Department of Water Resources, P.O. Box 83720, Boise, Idaho 83720-0098, telephone: (208) 287-4815.

DATED this 31st day of July, 2019.

GARY SPACKMAN
Director
