Dear Parties:

I just spoke to the Spradlins about their appeal. The appeal is not labeled as a Petition or Exceptions. The Spradlins asked that their appeal document be treated as Exceptions for review by the Director, Gary Spackman. The document has been identified as Exceptions and will be forwarded to the Director.

Today is the deadline for filing Petitions for Reconsideration or Exceptions. If Aston or Fonnesbeck are also preparing appeals, it might be helpful to know that the Spradlins have chosen to send their appeal to the Director.
