

The folder entitled "SRBA Documents Related to General Provisions for Basin 34" contains documents on file at the State office of IDWR regarding Basin-Wide Issue ("BWI") 5B and BWI 5-34. The documents within the folder are identified and listed by document title. Both BWI subcases address the General Provisions recommended for Basin 34. Also, BWI 5B is identified as subcase 00-91005B and BWI 5-34 is identified as subcase 00-9100534 on the Idaho Water Adjudications ("SRBA Court") web site at <http://www.srba.idaho.gov/>. The SRBA Court's web site contains chronological registers of actions for each of these BWI subcases with most documents hyperlinked to open for viewing.
