Water Experts to Assess the Water Supply at February Meeting

Come to the Water Supply Committee meeting and find out about the current snow conditions and the water supply outlook. Water managers and hydrology experts will meet in Boise on Wednesday, February 8, 2017.

The Idaho Water Supply Committee meeting will cover topics that include weather, snowpack, river flows, reservoir operations, climate, and the potential for drought and/or flooding. The committee includes water managers and hydrology experts from state and federal agencies and the private sector. The meeting is open to the public and will take place at the Idaho Department of Water Resources headquarters at the Idaho Water Center in downtown Boise.

When: Wednesday, February 8, 2017 Meeting begins at 2:00 p.m. MST

Where: Idaho Water Center, 322 E. Front Street, Boise, ID 83720
6th floor, conference rooms 602 C and D

Please contact Liz Cresto at 287-4833 or liz.cresto@idwr.idaho.gov for remote internet access to this meeting.

Parking is located in the Idaho Water Center parking garage; note that there is a parking fee to park in the garage however the first hour of parking is free. The Department will not validate parking.
