Water experts to discuss water supply Thursday, April 13

BOISE – (April 12, 2017) - Come to the monthly Water Supply Committee meeting on Thursday, April 13, and find out about the latest snowpack conditions and water supply outlook for the state. The meeting is open to the public. Water, snowpack and flood-control experts from state and federal agencies will be on hand to give presentations and answer questions.

When: Thursday, April 13, 2017. Meeting begins at 2:00 p.m. MDT

Location: Idaho Water Center, 322 E. Front Street, Boise, ID 83702
6th floor, conference rooms 602 C and D

Contact Liz Cresto at 287-4833 or liz.cresto@idwr.idaho.gov for remote internet access to this meeting.

The Idaho Water Supply Committee meeting will cover topics that include weather forecasts, snowpack, river flow forecasts, reservoir operations, and the potential for flooding. The committee includes water managers and hydrology experts from state and federal agencies and the private sector.

Public parking is located in the Idaho Water Center underground parking garage. Please note that there is a parking fee to park in the garage. However, the first hour of parking is free.
