Water Experts to Assess the Water Supply at January Meeting

Come to the Water Supply Committee meeting and find out about the current snow conditions and the water supply outlook. Water managers and hydrology experts will meet in Boise on Friday, January 12, 2018.

The Idaho Water Supply Committee meeting will cover topics that include weather forecasts, snowpack, river flow forecasts, and reservoir operations. The committee includes water managers and hydrology experts from state and federal agencies and the private sector. The meeting is open to the public and will take place at the Idaho Department of Water Resources headquarters at the Idaho Water Center in downtown Boise.

When: Friday, January 12, 2018 Meeting begins at 10 a.m. MST

Where: Idaho Water Center, 322 E. Front Street, Boise, ID 83720
6th floor, conference rooms 602 C and D

Please contact Liz Cresto at 287-4833 or liz.cresto@idwr.idaho.gov for remote internet access to this meeting.

Parking is located in the Idaho Water Center parking garage; note that there is a parking fee to park in the garage however the first hour of parking is free.
