Re: Legal Notice for Joint Application for Permits (S37-20486) Filed for the Proposed West Gimlet Flood Control Project on the Big Wood River

Dear Legal Notice Department:

Please publish the enclosed legal notice on the dates indicated (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact me immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to my attention at the PO Box above at your soonest convenience.

Sincerely,

A handwritten signature in cursive script that reads "Sarah Shaul".

Sarah Shaul

NOTICE OF JOINT APPLICATION FOR PERMITS (S37-20486) FILED FOR THE PROPOSED WEST GIMLET FLOOD CONTROL PROJECT ON THE BIG WOOD RIVER

Notice is hereby given that the Idaho Department of Water Resources ("Department") received two separate Joint Application for Permits ("applications"), titled West Gimlet Flood Control Project, proposing to alter the channel of the Big Wood River. Two separate applications have been submitted to the Department, but the landowners involved are participating cooperatively in a single project. As described in the applications, the proposed project activities include construction of approximately 2,115 linear feet of levee and the removal of woody material from the Big Wood River measuring approximately 1,625 linear feet. The complete application and supporting documentation can be found at the Department's website: <https://idwr.idaho.gov/streams/stream-channel-alteration-permits.html>

Comments for this application may be forwarded to IDWR, Attn: Aaron Golart, PO Box 83720, Boise ID 83720 or aaron.golart@idwr.idaho.gov. Comments must be received by **Tuesday, November 14, 2017**.

For additional information concerning this application, contact Aaron Golart, IDWR Stream Channel Protection Unit Coordinator, at 208-287-4800 or aaron.golart@idwr.idaho.gov.
