Re: Malad Valley Water Measurement District First Annual Meeting

Dear Water User:

Notice is hereby given, that pursuant to law, the regular annual meeting for adoption of a budget and election of a hydrographer for the Malad Valley Water Measurement District ("MVWMD") is scheduled for the time and location listed below.

DAY & DATE: Monday, November 4, 2019
TIME: 6:30 PM
LOCATION: Oneida County Fire District Building
92 South 100 West
Malad City, ID 83252

Please note that this is the first annual meeting of the water measurement district that was created pursuant to the Idaho Department of Water Resources' (IDWR) Preliminary Order Creating the Malad Valley Water Measurement District and Requiring Installation of Measuring Devices ("Order") dated November 9, 2018. The MVWMD includes ground water rights located within the boundaries of the Malad River drainage as shown in the map accompanying the Order. The Order specifies the MVWMD shall be effective November 4, 2019, the date scheduled for the first annual meeting of the MVWMD. A copy of the Order was mailed to all affected ground water right holders last November and may be accessed online using the following link: <https://idwr.idaho.gov/water-rights/water-measurement-districts/active.html>

A proposed meeting agenda is attached to this notice. Questions regarding this notice may be directed to the IDWR State office listed in this notice or to the IDWR Idaho Falls Regional Office, 208-525-7161.

Note: This notice has been sent to affected ground water right holders in accordance with the contact information on file at IDWR for each affected ground water right. IDWR has also sent notice to the owners of land described in affected ground water rights using contact information on record with Oneida County. Please contact IDWR if you feel you have received this notice in error.
