*Subject: Boise to Mountain Home Area Consolidated Cases – Ground Water and Surface Water Data*

Dear Gary:

Enclosed on behalf of Intermountain Sewer and Water Corporation (a.k.a., Mayfield Springs, Westpark Company, and Greg Johnson), please find one CD with ground water and surface water data related to the Mayfield Springs planned community vicinity. Much of these data are already in Department files, but are included herein for purposes of completeness. The documents are listed below.

1. Memo regarding 6-5-2007 water level measurement – Agenbroad Well
2. Mayfield Springs Production Well – well driller's report
3. Mayfield Springs Test Well – well driller's report
4. Mayfield Springs Test Well – geophysical log (pdf format)
5. Mayfield Springs Test Well – geophysical data (text format)
6. Mayfield Springs Test Well – water quality data 7-19-2011
7. Mayfield Springs Test Well – well cuttings sieve analysis
8. Mayfield Springs Wells No. 1 and No. 2 – Public Water System Well Engineering Report, Well Site Evaluation, and Well Specification Submittal

Document No. 8, above, includes as Attachment A – Water Supply Assessment for the Mayfield Springs Planned Community, March 20, 2006.

Please contact me with any questions.

Sincerely,

A handwritten signature in blue ink that reads "Terry M. Scanlan".
